# CASAGRAN ZENITH

Casagrand Zenith as the name suggests, is a high rise apartment with 14 floors located on the Mambakkam main road, Chennai. 946 flats are built surrounded by greenery which is quite pleasant for all the age groups. People in our community have a great Zeal and are entertaining with different sets of talents around that is Novel and incredible and are Tenacious in Nature that makes everybody happy and that's Zenith (Z- Zeal, E- Entertaining, N- Novel, I- Incredible, T- Tenacious, H- Happy) my lovely readers. Located on the main Road, our building grabs everybody's attention when compared to the other communities in and around us.

Our community has 14 floors and two Phases namely: Phase 1 and Phase 2 with a total of 9 blocks in both the phases. Phase 1 has blocks starting from E, F, G, H, and J, where 'J' block happens to be the signature block of Zenith that has houses which are around 1800 sq ft. Phase 2 has blocks starting from A, B, C, D, and apart from 'J' block, the other blocks are a mix of 2BHK and 3BHK houses. If you people have noticed, Psychologically, if we have to go by the order, Phase 1 should technically start from block 'A' whereas we have it from block 'E'. Similarly, Phase 2 should start from 'E' but it starts from 'A'. This looks like an advertising strategy to remember a brand. When I say that, I immediately get to think of Bingo chips AD that is quite different. So, if I go to a shop to get a chips packet, I might suddenly remember Bingo. That's the uniqueness a brand can carry. Likewise, Zenith has this unique naming of blocks that always strikes your brain to say that the blocks are oppositely named. Now, another thing to be noticed is one circular motion on a floor and hurray you get to cover all the blocks. But, here 'J' block is an exception and is a standalone block with signature flats as already mentioned.

Our country is known for unity in diversity if you all agree with me. Now, our community also looks like a small town with people from all religions together in one place. I wish to quote one beautiful example and experience that I had when visiting zenith when we decided to purchase a flat. When looking around and taking a home tour in the Model house, the thing that grabbed my attention was that there was no separate space for a pooja room. Having elders at home who render their prayers for long hours, made me ask the person who showed us the house Why No separate space is being provided in the newly built houses of late by all the builders. His response was wonderful and I couldn't agree less with him. He said, Mam, a person who buys a house here can belong to any religion. Nowadays, builders don't wish to provide a separate room as pooja rooms which may predominantly depict Hinduism alone. Hence, with lovely thought, people of all the religions have come together in Zenith with a sense of brotherhood. Hope you friends are with me on this note.

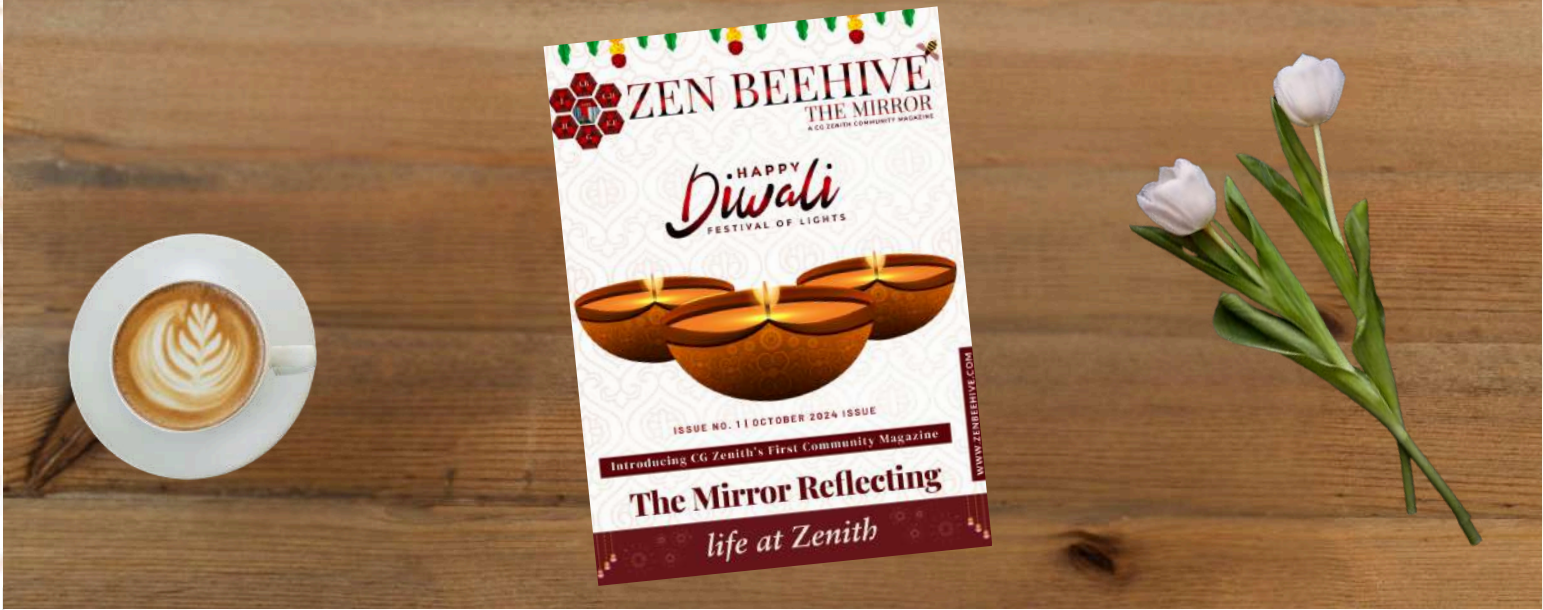

Next comes the amenities that we have in Zenith. It has a total of 77 amenities for its residents to make use of. To name a few, the Swimming pool which is a main attraction that is present in a few steps from the entrance of Zenith, Club House that houses the library, Turf, VR room, Zumba room, kids room etc. The next release will have all the details on the amenities that are available to the residents.

I will meet you readers in the next article . Until then stay happy and safe.

Regards,  
Amirtha Prasanna

## WHAT'S HAPPENING @ ZENITH

## Leaders Corner @ ZENITH

**Mr. Sankara Raman**

**Ex. President CGZFOA**

The tenure of the 1st Adhoc executive committee of the CG Zenith flat owners association consisted of pre take over and post take over periods. Overall the tenure was filled with lots of challenges, many of them are still continuing. There are many other

topics which can be highlighted in terms of challenges, but overall, in comparison to other CG projects, our Zenith association had persistently followed up with CG to fulfil many of the basic requirements for our society and succeeded in the pursuit.

In order to fill all the vacant posts in the EC for efficient operation (due to considerable increase in the occupancy of phase 1 and phase 2 flats) and to allow new members to participate in the Adhoc EC, along with the AGM, all the vacant posts were filled successfully.

Wishing the new Members of the Adhoc committee all the very best in their endeavour to fulfill the takeover of all the pending handover items from Casagrand and arranging conducive living environment for the residents. Hereby the 1st Adhoc EC team registers its sincere thanks to all the CGZFOA members for their good support during its tenure.

It gives me great pleasure to know that our own inhouse talents are creating a magazine for the benefit of our society. This is a very praiseworthy effort.

Zenith is blossoming into a thriving community. Having a magazine of its own provides a lot of scope for the budding talents in the society to make use of the opportunity to showcase their talent.

# NAVARATHRI @ ZENITH

Nava means “Nine” and Rathri means “Night” in Sanskrit. Navarathri is a festival that is celebrated for a time period of Nine days and Nights in almost every Hindu house who has the practice of keeping different Idols for worshipping. This Festival symbolizes the end of the Demon “Mahishasura” who was battled by the Goddess “Shakthi” and she emerged victorious in the Battle. So, as devotees and as a token of gratitude, this festival is being celebrated.

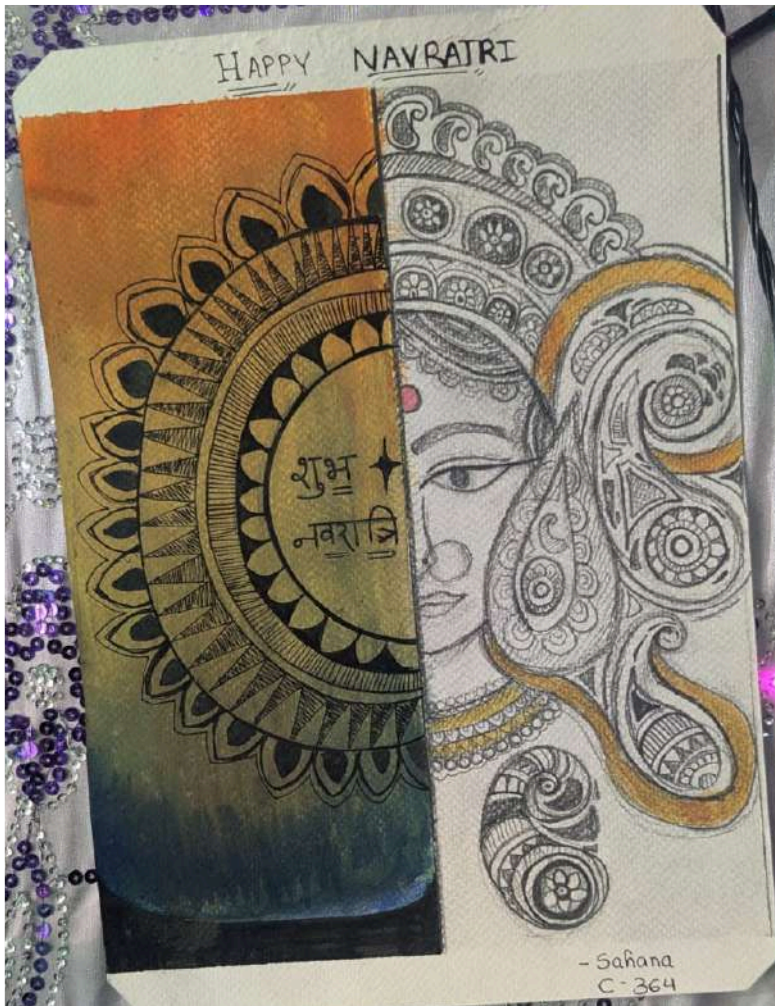

Navarathri gives space for celebrating three Goddesses namely: Shakthi, Lakshmi and Saraswathi. Nine days are equally divided into three days each for each Goddesses starting from Shakthi for the first three days followed by Goddess Lakshmi for the next three days and finally the last three days are meant for the Goddess Saraswathi. Though it is meant for the three Goddesses, people set up steps in odd number format and place idols of all types and render their prayers by preparing sweets and sundal (A dish prepared using lentils) and offering the same to God. It is believed that every idol placed will be alive for those 9 days and should not starve.

Here, in Zenith too we had many residents who celebrated Navarathri with great pomp. People were invited to receive thamboolam (Betel Nut leaves, kumkum etc) and also the blessing of the Goddesses. Small girls are treated special as they are seen as the form of the three Goddesses. Devotees who visit the houses for Navarathri, bring flowers, offer their prayers by singing or reciting slokas (Verses from Hindu Scriptures).

# NAVARATRI @ ZENITH

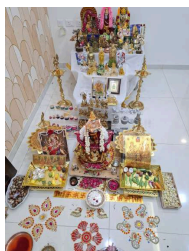

Cultural programmes like music concerts, Dances happen everywhere in the city in temples, mantaps etc which becomes a treat to the audience during the Navarathri festival. It is a tradition that has been followed for ages and it is wonderful to see young generations getting involved in such celebrations.

In my personal experience this was the best Navarathri season that I have had so far in Chennai. Though I am new to this place, people of Zenith were kind enough to come home and I had visitors almost every evening. It was such a beautiful experience. I heard one of my friends saying that she had almost 100 people who visited her house. It was such a great celebration in Zenith.

We shall catch you up with other celebrations and festivals in the upcoming releases. Until then stay happy and stay safe readers.

# Junior Artists @ ZENITH

Each piece tells a story—stories of dreams, experiences, and unique perspectives that only young minds can convey. The colors, shapes, and themes in their works reflect not only their creativity but also their individual personalities. From whimsical landscapes to bold abstract designs, these paintings reveal how our children perceive the world around them.

To the parents and guardians, thank you for fostering creativity and supporting your children's artistic endeavors.

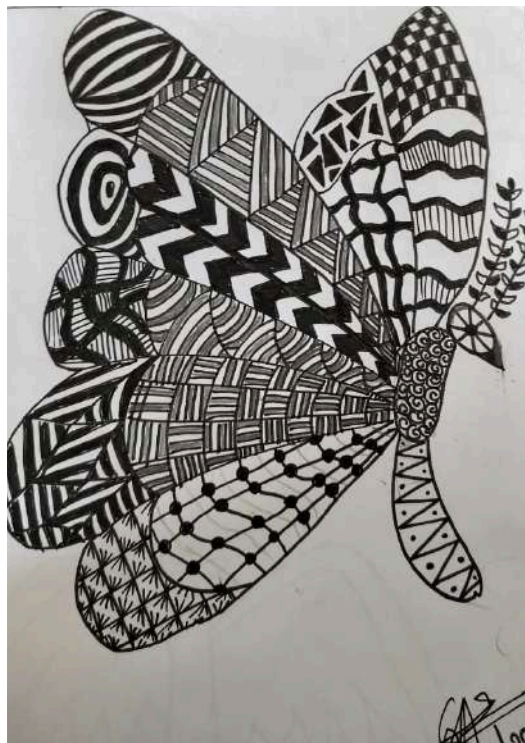

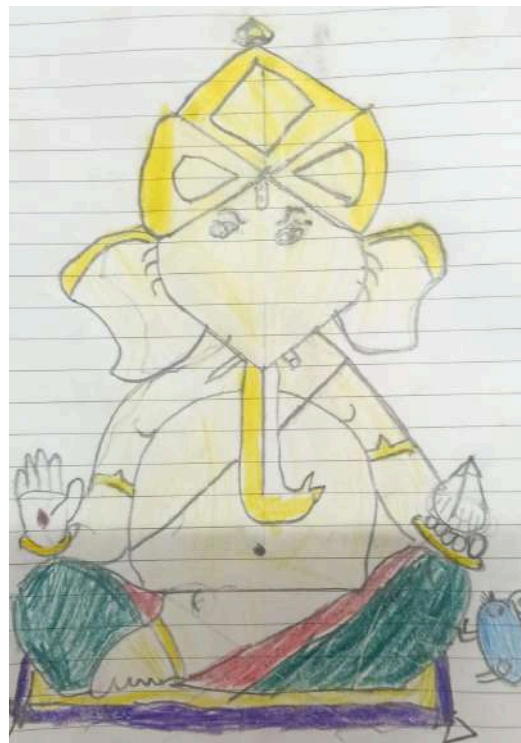

Your encouragement plays a crucial role in helping them explore their talents and pursue their passions. As we celebrate these remarkable submissions, let us also remember that every piece of art holds value and significance. Let's continue to create an environment where our young artists feel inspired, appreciated, and free to express themselves.

Congratulations to all the young artists! Keep dreaming, keep creating, and always share your unique vision with the world. We can't wait to see what you will create next!

பிரிவிற்குப் பின்  
என்றேனும்  
எதிர்பாராமல் சந்திக்ககூடும்  
கனத்த இதயத்துடன்

ஆவலாய் நலம் விசாரிப்பதோ,

ஏதோ ஒன்று நடக்கக்கூடும்

மனதின் எண்ணங்கள்

தோல்வியும் ஏற்படக்கூடும்
